

RESEARCH PROJECT #2

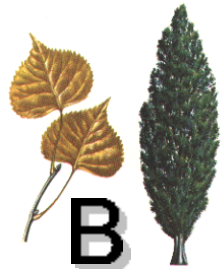

A

This project will call upon your research skills to become familiar with some of the plant life to be found in the next novel you will be reading, *To Kill A Mockingbird*. Get a book with flower and/or plant pictures in it and identify the following plants from the pictures in the borders of this page. Use the letters to identify your choice.

L

In the novel, Mrs. Dubose prizes her favorite plant known as the camellia.

B

1. Which is a picture of a camellia? _____

K
